

STYLE STUDIO
DAY & NIGHT
COLLECTION

Beam Rouge

Our Day & Night collection offers an elegant and impressive selection of over 70 fabrics in an exciting selection of patterns, colours and textures.

Day and night blinds feature alternating layers of sheer and opaque fabric.

This allows you to adjust the amount of natural light entering the room, offering more control compared to traditional blinds or curtains.

Verve White

You can order up to **5 free samples** sent to any address of your choice.

This helps you to see the fabrics to make sure they match your home decor.

DAY & NIGHT BLINDS

Day and Night blinds give you enhanced light control – here’s how they work.

During the day, you can position the sheer sections to let light in while maintaining privacy.

At night, you can align the opaque sections to block light and improve privacy.

You can also choose to adjust your blind to any position—fully open, fully closed, or anywhere in between.

Illumine Graphite opened, letting light in whilst maintaining privacy.

Illumine Graphite closed, blocking light and improving privacy.

motorised blind systems

You can choose to motorise any of our Day and Night fabrics.

Operate your blinds at the touch of a button with a quiet and smooth operation to combine style and control.

- Child safe option with no hanging cords or chains
- Control blinds individually or as a group with a single remote
- Choice of power options, remote and accessories to best suit your requirements

Powershade Smart Controller

Powershade Smart Controller allows you to control your motorised blinds from your smartphone device.

Available for iOS and Android, the product is also compatible with Amazon Alexa, Google Home & Siri Shortcuts to integrate into your home.

- Smart controller connects via WiFi
- Control individual blinds, entire rooms or even your entire house
- Program blinds to open or close at designated times, providing added security when away from home
- View all rooms and blinds on your smartphone device
